NEW YORK, Sept. 28 .- That the officers and men in the German army are firm in the belief that war is imminent between Germany and China is reflected in the un-usual number of applications which have been made to a life insurance company in this city for policies. Hundreds of appli-cations have been received through the Berlin agency. The process of issuing these policies or risks which have proved acceptable was begun several days ago by one company, and a large corps of clerks has since been employed night and day preparing policies to be sent abroad. The information which came from Bodies was of such a character that a declara-tion of war was believed to be close at

With each application there was a request that it should be issued at once and the risk be made binding. The request was also made to have the policies sent to Germany as speedily as possible order to do this extra clerks were set to
